It appoints the other various superiors and officials, settles matters of business and discipline, hears appeals from members, and can make amendments to the constitutions.
- ◆ We have not received a complete list of priest assignments. We will not find out if there are any changes until after the General Chapter.

PARENTING TIP OF THE WEEK

Why is it so important to at least look calm and collected as we provide consequences for our children's misbehavior? Because empathetic responses are always more effective than angry responses. *Anger* creates resentment and rebellion. *Empathy* ups the odds of genuine remorse and responsibility. *Anger* says, "I can barely handle you!" *Empathy* communicates, "I'm a competent parent and can handle you without breaking a sweat!" *Anger* creates kids who become sneaky and do irresponsible things behind our backs. *Empathy* creates kids who are more likely to behave, even when we aren't watching them. - *Love and Logic® Institute*
