#### PARENTING TIP OF THE WEEK

A toddler throwing a tantrum can be carried to a calm place (such as a crib) and discover that as soon as her cries have stopped she will be taken out and returned to normal activities. The fewer words spoken by the adult, the better. If the adult sings "uh-oh" while removing the child, odds are increased that the child will someday learn to stop misbehavior as soon as he hears, or even just imagines, that same tune of "uh-oh." - *Love and Logic® Institute*
